om his exclusion from the male vocalist of the year category.

Becky Hobbs performed her newest EMI America single, "Pardon Me," for a regional meeting sponsored by the Handelman Co. for 500 K-Mart managers in Atlanta. She'll also play in a celebrity golf tournament in Golden, Colo., along with Trini Lopez, baseball great Stan Musial and actor Michael Callan.

Larry Gatlin and brothers Rudy and Steve will guest on a 60-minute

Christmas special called "The Gift Of Song." The show will be syndicated by Multimedia and will feature Juice Newton, Menudo, Marilyn McCoo and Neil Sedaka.

The Oak Ridge Boys are the first act to sell out two shows in advance at Busch Gardens in Williamsburg, Va. Over 10,000 eager Oaks fans bought tickets ahead of the group's late August dates there.

October is the release date for George Jones' new all-female duet package, "Ladies Choice." Those ap-

pearing with George on the project are Barbara Mandrell ("Daisy Chain"), Loretta Lynn ("We Sure Make Good Love"), Brenda Lee ("Hallelujah, I Love You So"), Janie Fricke ("All I Want To Do In Life"), Leona Williams ("Best Friends"), Emmylou Harris ("All Fall Down"), Lucy J. Dalton ("Seven Seven Road (Made Of Gold)"), Deborah Allen ("Our Love Was Ahead Of Its Time") and Terri Gibbs ("Slow Burning Fire").

The 10th selection, "She's My Rock," is George's tribute to wife

Nancy. It is slated to be the first single from the project. Those closest to Jones—and those who have seen him through his darkest, worst days—credit Nancy with giving the singer total rejuvenation and the chance to start over. And George himself has said that were it not for her, he might not be alive today.

We Never Said He Was Country: Nashville's Guinness Hall of World Records right off Music Row has announced the arrival of live-mask was figure of superstar Michael Jackson,

set for display Sept. 1.

For an exclusive Guinness commission, Jackson allowed a live mask cast to be made by Rick Baker, who also did the mask special effects in "Thriller." As the newest Guinness entertainment record holder, Michael claims "Thriller" sales of more than 33 million copies, displacing "Rock Around the Clock" and "Saturday Night Fever" as the best-selling pop record and album of all time. Interesting that Guinness selected its Nashville museum as the site for the Michael Jackson display!

COUNTRY CHART

COLLECTION

Arts & Charts

The complete Country Music Charts exactly as they appeared in Billboard magazine from 1944 to the present, in high resolution, taken from the celebrated magazine's pages.

From the owner of COUNTRY MUSIC DATABASE® who has one of the largest collections in the world (with records, videos, magazines, books and comics) comes his latest epic project!

More than 70 years of Country Music Charts from the beginning. The volumes are published in random order (like Marvel's beautiful series "The Epic Collection").
